Sustainable dried flowers

Passion for pure dried perfection

Over 50 years of experience

At Lamboo Dried & Deco, we are driven by a passion for crafting the finest quality dried flowers and decorative products. With over 50 years of family expertise rooted in Dutch craftsmanship, we oversee every step of the process - from selecting seeds and cultivation to drying and creating stunning, contemporary collections.

Our dried flowers are not just beautiful; they're a sustainable choice. With their long lifespan and exceptionally low CO2 footprint, they offer a responsible way to enjoy natural elegance while caring for the planet.

Quality at the heart of what we do

Quality isn't just what we produce; it's who we are. It's in the dedication of our team, the strength of our partnerships, and the care we show for our environment. As a leading name in dried flowers, Lamboo Dried & Deco is your trusted center of excellence.

Your partner in dried flowers

We bring the timeless beauty of dried flowers to wholesalers, retailers, and e-tailers worldwide, building sustainable partnerships with every client. For every market, we provide tailored solutions, from supplying raw materials and e-commerce support for lifestyle brands to customized dried flower retail concepts.

Total concept solutions

Whether you're a small business or a large business, we make things easy by offering complete solutions, including retail displays and diverse packaging options. With a large stock of both raw materials and ready-made bouquets, we're ready to meet your needs, no matter the size or scope.
